WE HAND YOU herewith our latest catalogue illustrating the Morris line of Novelty Furniture, which has been the leader in this field for years. You will find a complete line of attractively designed tables and occasional pieces with the kind of eye appeal that will make your customers come in and buy. In addition, you will find that these tables show the highest quality of workmanship . . . made by master craftsmen with years of experience.

Our sales representatives cover the entire United States and you will find that there is one near you.
